They should not be allowed to keep the tents up during the summer. They have been doing that for many years. They are taking away parking space during the summer.

It is bad enough that Seaforth does not provide parking for it's over night parking, also.

Bahia hotel takes its tent down for summer parking. Why can.t the Hyatt Islandia take there down. One day I actually counted. The parking spaces about two or three years ago

It was like 25 spaces. I was amazed that they actually took the tent down.

You can see that tent from the bridge. I always wanted to complain. But I figured the city would not care. Should have complained to Coastal.
