**To:** SouthCoast@Coastal <[SouthCoast@coastal.ca.gov](mailto:SouthCoast@coastal.ca.gov)>  
**Subject:** May 2022 Application No. 5-21-0882 (Singer, Hermosa Beach)

My wife and I live diagonally opposite to the back of this property.  
We presently have an ocean view and view of the Santa Monica Mountains over the rear elevation of this building.  
If the rear elevation is higher than it is at present it will significantly affect the value of our home and significant detract from the our enjoyment of our home  
We therefor object to this being approved

We will consulting an attorney and intend file the appropriate objections  
We are also reaching out the City of Hermosa Beach Planning Commission to register objections and to fully understand legal options.

Sincerely

**Michael J Williams**
