Complete, comprehensive description of communication content (attach complete set of any text or graphic material presented):

I had a virtual meeting with Robin Rudisill and Sue Kaplan who shared their concerns regarding this proposal. This parcel is a rental property that is being proposed for several units. They also contend that this project is on a walk street and is In general a very heavily traveled street. They also are building lot line to lot line developments with no yards, which will change the character of the community.
