Subject: **Request to Waive Time Limit for City of San Diego LCP Amendment No. LCP-6-SAN-22-0027-1 (Sidewalk Vending) for the Commission Meeting of August 7, 2022.**

On June 28, 2022, the City of San Diego Local Coastal Program (LCP) amendment No. LCP-6-SAN-22-0027-1 was filed in the San Diego District office. The amendment involves replace pushcart vending with sidewalk vending as a separately regulated use. The proposed amendment will affect the certified LCP Implementation Plan.

Pursuant to Section 30513 of the Coastal Act, the Commission must act on implementation plan amendments within 60 days of filing. Based on the above-cited time limits, the proposed LCP amendment must be scheduled for review by the Commission at the September 2022 meeting. However, Section 30517 of the Coastal Act and Section 13535(c) of the California Code of Regulations state that the Commission may extend for good cause any applicable time limits for a period not to exceed one year.

Commission staff is requesting the time extension due to insufficient staff time to adequately review the amendment and prepare a recommendation. In addition, the City has been consulted and has indicated the request for postponement is acceptable.

Staff recommends the Commission extend the 60-day time limit for one year.
