Subject: **Request to Waive Time Limit for City of San Diego LCP Amendment No. LCP-6-SAN-22-0065-3 (Pushcart Repeal) for the Commission Meeting of February 9, 2023.**

On December 29, 2022, the City of San Diego Local Coastal Program (LCP) amendment LCP-6-SAN-22-0065-3 was filed in the San Diego District office. The amendment involves repealing the majority of ordinances related to pushcart vending in the public right-of-way while adding a requirement for sidewalk vending to adhere to the public access policies of the certified land use plans. The proposed amendment will affect the certified LCP Implementation Plan.

Pursuant to Section 30513 of the Coastal Act, the Commission must act on implementation plan amendments within 60 working days of filing. Based on the above-cited time limits, the proposed LCP amendment must be scheduled for review by the Commission at the March 8-10, 2023, meeting. However, Section 30517 of the Coastal Act and Section 13535(c) of the California Code of Regulations state that the Commission may extend for good cause any applicable time limits for a period not to exceed one year.

Commission staff is requesting the time extension due to insufficient staff time to adequately review the amendment and prepare a recommendation. In addition, the City has been consulted and has indicated the request for postponement is acceptable.

Staff recommends the Commission extend the 60-day time limit for one year.

PROCEDURE

STAFF RECOMMENDATION:

Staff recommends a YES vote. An affirmative vote of the majority of the Commissioners present is needed to pass the motion.
